Dear Artists,

We are planning the 5th annual Calaveras Artists Studio Tour in the Fall 2010. We would like to know if you are interested in participating in this event, which will take place Saturday, September 25 and Sunday, September 26. It is being organized and promoted by the Gallery Group of the Calaveras County Arts Council. A committee is now at work developing and rolling out a plan of action. Tickets (Passports) will be sold by the Arts Council and various merchants in the area.

This event will give artists in Calaveras County a chance to open their studios to art lovers/art buyers. Each artist will be able to show his/her own works in the convenience of his/her own studio or home. All sales will be retained solely by the artist. We are promoting this event throughout Northern California, including Sacramento, Stockton, the Foothills, Sonoma, San Francisco, San Jose, Marin, Bodega Bay, Santa Rosa area and other parts of California including Carmel, Monterey, Santa Cruz and Big Sur Area. Based upon last year's printing, advertising and promotion costs, the **\$75.00** application fee will offset these expenses. No other contributions will be required other than those required to fund your own studio set up.

If you are interested in participating in this event please return the attached application by Tuesday, June 15 along with your application fee, an artist profile statement or biography (include personal information, education and awards), directions to your studio and two images of artwork you would like to use for our poster and mailers (unless I've already shot your work).

If you do not have a studio that you are comfortable using for exhibition space please call us...there are artists who are willing to share their spaces.

If you have questions about participating in this event, contact Ed Cline at (cell) 418-5229 / (email) at ed_cline@yahoo.com or the Arts Council at 754-1774.

Thank you for your interest and support.

Sincerely,

Ed Cline
