

### Ten admission free concerts! Ten county-wide locations!

A long summer tradition in our community, Music in the Parks brings family, friends, neighbors, and visitors together for ten evenings of music and entertainment. We are planning an exciting program that spans musical styles. Your sponsorship will help the Calaveras County Arts Council bring Music in the Parks to YOUR community.

Your business will be featured prominently on page 3 and your ad featured elsewhere within the program. You will be listed as contributing sponsors on our website with a link back to your website. You will be mentioned in our newsletter and Facebook postings when appropriate. **The free, professionally produced program is distributed for ten weeks, county-wide, and is seen by at least 1,000 attendees.**

We receive no government funding for Music in the Parks. We count on your assistance. We thank you for your support and look forward to seeing you this summer.
